There was some discussion as to the role of the HDC in the process of second story design elements that are being looked at by the SDC Design Committee. Recommendations are forthcoming (if any). Fred reviewed the recent Black History event that was held on February 10th. The event was a great success.
- **New Business:** Fred explained the Certified Local Government compliance status update, which calls for yearly training of the HDC members. Plans are being made to have a training day/work shop for HDC members. The goal is to have it within this fiscal year. More details are forthcoming.
