Fred explained that the CLG Grant Application was approved for 7,500. The money will be used to update the District Guidelines. Fred reported that all the Matching Funds for 2013/2014 fiscal year have been distributed. Also, next years Matching Funds have been increased to 30,000. The Blue Gables final act to purchase the building is pending. The building should be closed on soon. The Community Theater is seeking a way to demolish the dilapidated residence it owns and putting forth a plan for installing some landscaping elements in its place. The Chatham House has been condemned by Code Enforcement and is at risk of being demolished by the City's action. Fred has been through the house and it appears to be beyond any reasonable repairs. The owners have been silent on the issue.
