- **Old Business:** Façade Grant is approved and ready to implement. Fred has the applications and will spread the word to folks in the district. There is no formal announcement for the grant so we will have to rely on word of mouth. The HDC can help to spread the word as well. The application period is up to August 15. Fred will send completed applications to the HDC once they are all turned in. Approved applicants will be contacted by Fred.

- **New Business:**

Approved COA-1217 Main Street: Replace roofing shingles with pressed metal painted shingles

An HDC annual training day will likely be in August or September. Fred is working with the state's CLG coordinator to assemble a work packet and plan the activities.

The Historic District received a CLG grant that Fred applied for earlier this year. The grant funds will be used to complete our survey of the district and its environs.
