Fred also provided an update on the status of the current CLG grant project. The web firm i2w (the folks who built the HDC website) are working toward some videos that will feature the Blue Gables, 1101 Main, and the Hardin Property. The video edits will take a while to complete. They will be posted on the website and facebook.

- **New Business:**

The city has hired a Historic District Assistant who will begin on Aug 30. The assistant will work part time from 10-2, Monday-Friday. They will also work to assist the SCHS in the day-to-day operations of the history center.

Fred is chairing the Tourism Tax Committee, which seeks to encourage murals in the downtown area. The murals will be wall mounted graphics and will not involve painting the buildings. Nothing definitive has been determined at this time.
