Discussion/Amendments: There was no meeting in September

- **Old Business:** Fred explained that all the Matching Funds Award Letters were sent out.

- **New Business:**

The HDC took into consideration a COA for 719 Main Street to install vinyl siding on two sides of the building. After much discussion it was determined that there was not enough information about the technical methods for installation to render a decision. As a result, Fred was asked to invite the applicants to meet with the HDC members, along with their contractor/installer to answer questions. The COA request was tabled until the applicants could comply with the HDC request.
