Old Business:

New Business:

COA for 1307 Main Street: Remove modern enclosure of the front porch returning it to its original appearance.

Motion: S. Jones Second: D. Magan Approved

COA for 708 Henry Clay Street: Remove back porch covering; remove a 20th century addition; re-build addition rear to match the design elements of the original structure; construct new covered back porch with design elements reflecting the structure; tuck point and repair brick; repair stone pillars on front porch.

Motion to Approve: S. Jones Second: D. Magan Approved

COA for 1021 Main Street: Petition to allow the demolition of the structure.

Commission agreed to table the COA pending additional inspection of the structure.

Other Business:

Coordinator updated Commission on the disposition of FY22 Matching Funds. Remaining funds were used to restore the structural viability of the building at 412 Sixth Street.

Coordinator updated Commission on a change to the use of National Main Street funding for the removal of modern overhang at 610 Main Street.

Adjourn: Motion: D. Magan Seconded: S. Jones Approved
Time: 7:00 p.m.
